December 7th 2022

Dear Community Business Partner,

This upcoming year your Coalinga Chamber of Commerce reaches an incredible milestone. 2023 marks 113 years that we have been serving Businesses in our community and the surrounding area. We can not begin to express how proud we are of this accomplishment. So many individuals have spent years of dedicated service to get to where we are today, and we are honored to be leading the way into the future.

Please consider this your personal invitation to participate in the Community Service Awards Annual Dinner scheduled for Saturday February 4th 2023 at Harris Ranch Inn & Restaurant. During this incredible evening we will be paying tribute to our Citizen of the Year, Volunteer of the Year, First Responder of the Year, and Business of the Year. Reserve the date and pre-purchase your tickets today as tickets will certainly go fast. One thing we can assure you is that this will be a night filled with incredible food, exciting entertainment and heart felt community fellowship like you have never attended before.

As the old saying goes, “It takes a village” and pulling off an event of this magnitude, one worthy of the businesses and citizens we serve, will take the assistance of many. We understand that we can not possibly pull this off on our own, so we are reaching out and requesting assistance of our local business partners and community members.

For the Annual Dinner, we are seeking donations of goods and/or services that will be showcased in the raffle and auction portion of our event. In return, your Business will be highlighted in our new Monthly Newsletter that will begin in 2023, and you will be given special recognition in the Coalinga Press in the weeks following this remarkable event.

If you or your business would be willing to assist in our efforts, please see the attached sheet which explain each sponsorship level and what you get in return for your support.

On behalf of the entire team here at the Coalinga Chamber of Commerce, I want to sincerely express our appreciation. It is because of you that this will be a success. Together we can make this a night to remember.

Sincerely,

Scott Netherton, Executive Director
Coalinga Chamber of Commerce
